

PANTOPIX stands for intelligent solutions in technical communication. With our many years of expertise, we support companies in optimizing their information processes and ensure maximum added value. Become part of our team and shape the digital future of our customers with us.

For our location in Lindau we are looking for a

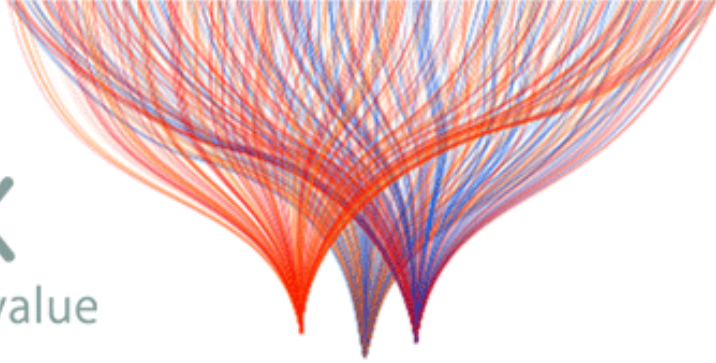

(Junior) Consultant (m/f/d) full-time

Your Tasks

- Selection, implementation and further development of the IT system landscape of our customers in the environment of technical information
- Development of target images, optimization potentials and solution scenarios through analysis of customer processes
- Development of process, metadata and information models for content delivery portals, editorial systems and content management systems
- Taking over sub-projects with the support of experienced project managers and successive management of larger customer projects - from requirements analysis to implementation

Your Profile

- You have a degree in business informatics, information management, natural sciences or comparable training
- You have experience in the field of knowledge and information management, ideally already in the consulting environment of technical communication
- You enjoy moderating customer workshops and working in interdisciplinary work groups
- You are familiar with standards such as RDF, SKOS, XML and JSON
- You are enthusiastic about new technologies, have experience in project management and bring along a high level of process understanding
- You are innovative, creative and have strong communication skills as well as analytical and conceptual abilities
- Confident communication in German and English as well as willingness to travel are part of your profile

Our Benefits

- Versatile and interesting tasks in an innovative working environment
- Challenging projects in international teams with well-known customers in various industries
- Flexible working hours and mobile working
- Helpful team with experienced colleagues and flat hierarchies

If you have any questions, please contact Franziska Schrempp: +49 (0) 7520 953 61 67.
We look forward to receiving your application at info@pantopix.com.
